

TALIA® ECO

100% recycled polyester

TALIA ECO - this is multipurpose sewing thread produced from 100% spun recycled polyester yarn. **TALIA ECO** threads are certified with Global Recycled Standard (GRS) that ensures they meet environmental and social responsibility standards.

The appropriate selection of physical and mechanical parameters guarantees them optimal sewing properties.

**All parameteres of TALIA ECO
are up to the European standard EN 12590:1999**

TALIA ECO sewing threads are recommended for sewing of:

TALIA ECO 120

light women's, men's and children's garments,
underwear delicate textiles, knitted products, bed clothes.
